TORONTO, September 19, 2014 – **Energy Income Fund (TSX – ENI.UN)** (the “**Fund**”) is pleased to announce that unitholders will have the opportunity to redeem up to 621,067 units of the Fund.

A redemption date has been set for November 27, 2014. Units will be redeemed for an amount per unit equal to net asset value less redemption costs (as contemplated in the Fund’s declaration of trust which is available on the Fund’s SEDAR profile at [www.sedar.com](http://www.sedar.com)). If requests for redemptions exceed 621,067 units, units will be redeemed on a *pro rata* basis.

In order to redeem their units, holders must deliver a redemption notice to their broker sufficiently in advance to ensure that such notice is then delivered to the Fund by no later than 5:00 p.m. (Toronto time) on October 30, 2014. Unitholders wishing to participate in the redemption should contact their brokers if they have any questions about how to provide a redemption notice.

Units tendered for this redemption will still be entitled to receive the October 2014 distribution which, as previously announced, will be paid on November 17, 2014.

On or about December 2, 2014, the Fund will announce the redemption price and the Fund expects to pay the redemption proceeds to redeeming unitholders on or before December 19, 2014.
