(collectively the “Funds”)
Report from the Independent Review Committee to Unitholders
For the period from January 1, 2024 to December 31, 2024**

The following report describes the independent review committee (“**IRC**”) of the Funds and its related activities for the fiscal period from January 1, 2024 to December 31, 2024 (the “**period**”).

The IRC consists of the following three members initially appointed by Artemis Investment Management Limited (the “**Manager**”):

Member	Length of Service	Other IRC Memberships
Peter F. Chodos	Since inception (February 19, 2013)	None
John F. Mills	Since inception (February 19, 2013)	None
Michael Newman	Since inception (February 19, 2013)	None

There have been no changes to the composition of the IRC during the period.

Independence

The members of the IRC have concluded that they have no material relationship with the Manager, the Funds or an investment advisor to the Funds that could reasonably be perceived to interfere with any member’s judgment regarding a conflict of interest matter.

Holdings of Securities

(a) Funds

With respect to each Fund, as at December 31, 2024, the percentage of units of the Fund beneficially owned, directly or indirectly, in aggregate, by all members of the IRC did not exceed 1%.

(b) Manager

As at December 31, 2024, the members of the IRC, in aggregate, beneficially owned, directly or indirectly, no securities of any class or series of voting share or equity securities of the Manager.

(c) Service providers

As at December 31, 2024, the members of the IRC, in aggregate, beneficially owned, directly or indirectly, less than 1% of securities of any class of voting or equity securities of a person or company providing services to the Funds or the Manager relating to the Fund business.

Compensation

During the period, the compensation of each member of the IRC was \$15,000 per annum. For the period, the total compensation paid to the members was \$45,000. No amounts were paid to the IRC members by the Funds under indemnities in their favour during the period.

In concluding that this compensation was appropriate, the IRC considered: the nature and complexity of

the Funds' operations; the time commitment required; and the level of information provided to the IRC members. The IRC considered and accepted the Manager's recommendations in respect of the compensation levels noted above.

Activities

During the period, the IRC's activities included reviewing its mandate, the independence of its members, the effectiveness of the IRC as a whole and its members, insurance premium allocations made by the Manager to the Funds and recommendations submitted by the Manager.

This report is respectfully submitted to you on behalf of the Independent Review Committee of the Funds.
